

I do not support LPFM stations being able to replace current FM translator service. I am a listener of K-LOVE. This station serves me as a member of my community by offering me an outlet of positive, encouraging music and commentary which is very hard to find in our current culture. I am a Christian and I believe that I have a right to continue to tune into Christian-based entertainment. Our community as a whole is strengthened when positive messages of truth, hope and help are offered. Most of the current communications available to audiences are contributing to the cultural decline we are experiencing. We NEED to have other options available. If K-Love is displaced by a LPFM broadcaster, providing other programming, I believe our community will be negatively impacted. We should offer as many opportunities as possible to reach people, especially impressionable young people, with messages of LIFE, HOPE, FAITH and LOVE. Please do not allow K-LOVE to be displaced by LPFM broadcasting. Sincerely,
Vicki Owens
